LUNAR LORE: Gather around a warm fire and spend some time with Jody Heaston as she shares lunar lore.

MOON WALK: Take a winter walk and experience the silence of a winter's moonlit night.

MOON TALK: Learn about the moon, its phases and interesting facts about the earth's moon.

Keep an Eye on the Moon: Join Fort Wayne Astronomical Society with their telescopes to view the moon and other celestial objects.

Enjoy a MOON MEAL: Is the moon really made of cheese? Tonight's meal will be served in honor of the infamous "man in the moon."
